

1. Xilinx Website

- Sign up to Xilinx website : <https://www.xilinx.com>
- <https://www.xilinx.com/support/download.html>

The screenshot shows the Xilinx website's 'Downloads' page. The top navigation bar includes the Xilinx logo and links for Applications, Products, Developers, Support, and About. Below the navigation bar, the breadcrumb trail reads 'Xilinx - Adaptable. Intelligent. > Support > Downloads'. The main heading is 'Downloads'. Below this, there are three buttons: 'Vivado Installation Overview Video', 'Licensing Help', and 'Alveo Acceleration Card Downloads'. A horizontal menu below these buttons lists various Xilinx products: Vivado (highlighted with a red underline), Embedded Development, SDSoc Development Environment, SDAccel Development Environment, ISE, Device Models, and CAE Vendor Libraries. On the left side, under the 'Version' heading, a list of versions is shown: 2018.3 (highlighted), 2018.2, 2018.1, 2017.4, and Archive. The main content area is titled 'Vivado Design Suite - HLx Editions - 2018.3 Full Product Installation'. It contains an 'Important' section with text recommending web installers and providing links to 'Installer Information' and 'Release Notes'. To the right of this text is a table with two columns: 'Download Includes' and 'Download Type'. The table lists the following information: Download Includes: Vivado Design Suite HLx Editions (All Editions); Download Type: Full Product Installation; Last Updated: Dec 10, 2018; Answers: 2018.x - Vivado Known Issues; Documentation: Release Notes; Support Forums: Installation and

13. License Manager

- Select license
- Click download(caution : Download button is very small)

The screenshot displays the Xilinx License Manager web application. At the top, there is a navigation bar with the Xilinx logo and links for Applications, Products, Developers, Support, and About. Below this, there are two tabs: 'Create New Licenses' and 'Manage Licenses'. The 'Manage Licenses' tab is active, showing a table of licenses. The table has the following columns: Host Name, Host Type, Host ID, License Type, OS, Created By, and Created Date. The first row of data shows a license for 'User-PC' with Host ID '54321', License Type 'Node', OS 'Windows 64-bit', Created By 'HANBYUL KIM', and Created Date '13 AUG 2018'. Below the table, there is a 'Comments' section and a 'Download' button. A red dashed box highlights the 'Download' button. At the bottom right, there is a 'Modify License' button.

Host Name	Host Type	Host ID	License Type	OS	Created By	Created Date
User-PC	Disk Serial Number	54321	Node	Windows 64-bit	HANBYUL KIM	13 AUG 2018

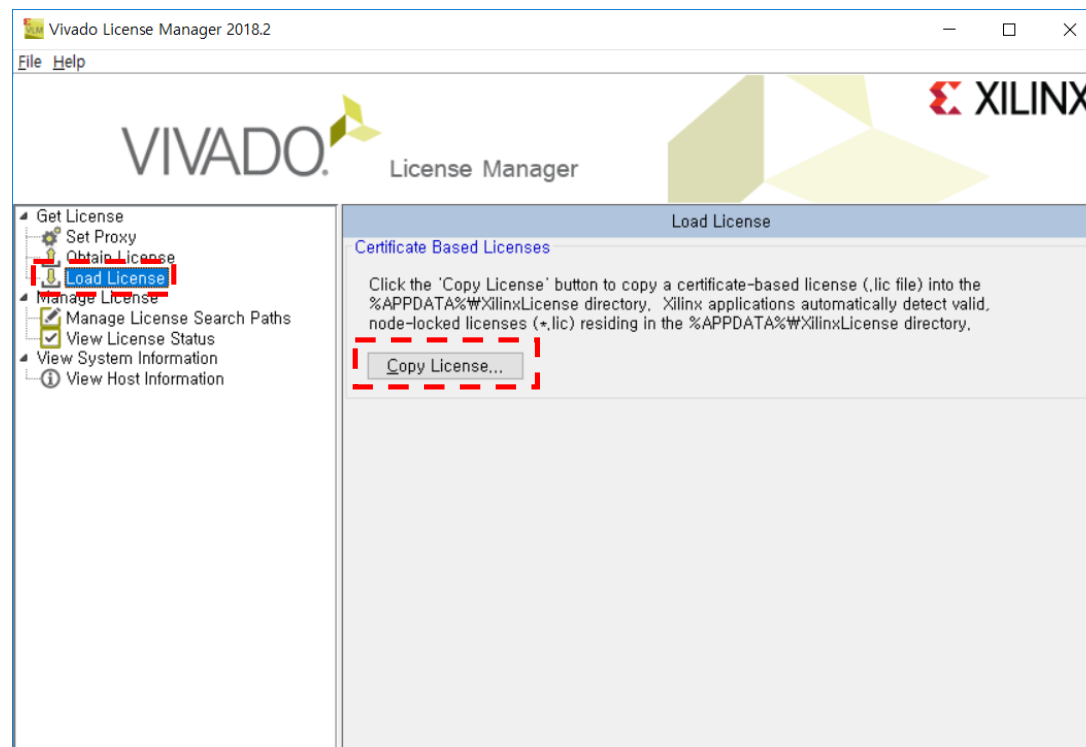

Product	Type	Status	Subscription End Date	Activated Seats
ISE WebPACK License	Certificate - No Charge	Current	None	1
